## Fees and funding

In this section you will find information on fees, loans and financial support, so you can work out how much it will cost to come to university and what help is available.

While you are studying at Worcester, you will need to pay annual tuition fees to us. You will also need to consider other expenses such as living costs, accommodation fees and study materials.

A wide range of financial support is available to help you cover the cost of your studies, throughout the duration of your course.
